OBJECTIVES

NGO UPHAR FOUNDATION was registered in Muzaffarpur, Bihar under the Societies Registration Act (XXI) of 1860 on June 11, 2016, by a group of professionals who shared a dream to work on a people-centric model of development in areas of public health, education, women empowerment, community development and social welfare. Inspired by Gandhian ideals of social change.

UPHAR's primary objective is to:

- ✓ Empower the poor and marginalized;
- ✓ Provide shelter to the sick and destitute;
- ✓ Promote community health programmers and services;
- ✓ Support literacy centers and e-learning;
- ✓ Work towards empowerment of women;
- ✓ Facilitate livelihood programmers;
- ✓ Help the poor access information and resources;
- ✓ Work for environment protection and conservation.
- ✓ Providing employment for unemployed youth and women.

From very beginning, we, at UPHAR FOUNDATION, believe that development has to be holistic to break the vicious cycle of poverty to bring the real fruits to the needy. We wish to bring about visible change on the ground by focusing our energies in these sectors as well as building our understanding about related issues. We, at UPHAR FOUNDATION, firmly believe that a conducive and productive environment cannot be achieved unless all parameters of the development equation are adequately addressed.

MISSION

We Think !

We the Uphar Himayat All Religion Foundation works always on the basis of development. We are working on several fact and several events in societies. In our society the process of development based on Education, Health, Administration etc. This is the common need of every people. We work always to develop our society and several things for our society and it will be so on. Approximately 600 million population in India is younger than 25 years of age and close to 70% of the total population is less than 40 years of age. Near about 40% of the Indian population is aged between 13 to 35 years that is defined as youth according to the National Youth Policy. Such a huge population of young is not only exceptional in India but also in the World. Youth unemployment in India is on rise. According to the World Development Report 2013, 9% of males and 11% females aged between 15 to 24 years are unemployed. As per data of 2009-10, 9.7% of young men and 18.7% of young women in India were unemployed.

The Mission Education and health programme, Education Coaching, Man, woman Empoloment of Uphar Foundation which is an NGO in India identifies such out-of-school children from remote villages, tribal areas and urban slums, and provides them quality education. In addition to this, it also looks after their health, nutrition, and holistic development through participation in co-curricular activities. Block and panchayat level provides employment to men and women.

We pay tribute to him as He is still alive in our thoughts.

VISION

We Think !

Each person has right that he live freely with happiness. The happiness of purity of soul. This will be possible when each person can get entrie facility like medicines, House, Education, and many more. This well avalible in market but each person can't get. We provide each things and also support that any can get this facility in our society.

Youth unemployment in India is on rise. According to the World Development Report 2013, 9% of males and 11% females aged between 15 to 24 years are unemployed. As per data of 2009-10, 9.7% of young men and 18.7% of young women in India were unemployed.

We daily work on several problems and dream of my beloved motherland. We wish it to be a richer, happier and healthier land to live in. We want it to be a veritable heaven on earth. We hope that within the next few years my country shall have made as much progress as to be the very land of my dreams . . .
